Welding jacket JK269

Welding jacket JK269

- A-quality split leather
- Flame retardant fabric on back
- Inside pocket
- Covered studs
- Collar lined with FR fabric, velcro adjustment

CE Sizes: S - XXXL
EN ISO11611 2 A1

Kevlar stitched

Lightweight welding trousers TR583

Welding trousers TR583

- Flame retardant fabric
- A-quality split leather
- Side and back pockets
- Zipper and stud fastening

CE Sizes: S to XXXL
EN ISO11611 2 A1

Kevlar stitched

Welding jacket JK936

Welding jacket JK936

- A-quality split leather
- Inside pocket
- Covered studs
- Collar lined with FR fabric, velcro adjustment

CE Sizes: S - XXXL
EN ISO11611 2 A1

Kevlar stitched

Welding trousers TR615

Welding trousers TR615

- A-quality split leather
- 2 back pockets
- 1 tool pocket at back
- Zipper and stud fastening

CE Sizes: S - XXXL
EN ISO11611 2 A1

Kevlar stitched

Welding apron AP009 & welding sleeve GL137

Welding apron AP009

- A-quality split leather
- FR fabric cross adjustment at back
- Plastic buckle fastening
- 100 x 80 cm

CE Sizes: One size EN ISO11611 2 A1 

Welding sleeve GL137

- A-quality split leather
- Rubber and velcro adjustment at top and bottom
- Sold in pairs
- 56 cm

CE Sizes: one size EN ISO11611 2 A1 

Welding gaiters

Low leg gaiters AC205

- Fully Kevlar stitched
- A-quality split leather
- Velcro fastening
- Height of the yellow part 18 cm

CE EN ISO11611 2 A1 

High leg gaiters AC211

- Fully Kevlar stitched
- A-quality split leather
- Velcro fastening
- Height of the yellow part 39 cm

CE EN ISO11611 2 A1 

Flame retardant hoods

Flame retardant balaclava HT041

- Antistatic FR protection under the welding helmet
- 60% modacrylic
- 40% cotton with antistatic
- 210 g/m²

CE EN ISO11612 A1B1C1, EN 1149

Flame retardant hood HT040

- FR protection under the welding helmet
- Velcro fastening
- 50 cm

CE EN ISO11611 1 A1

Flame retardant hood HT039

- FR protection under the welding helmet
- Velcro fastening
- 32 cm

Flame retardant poloshirts

Flame retardant poloshirt PS137

- Comfortable FR poloshirt - woven
- Intended to wear under welding jacket
- Antistatic material
- 60% modacrylic, 40% cotton with antistatic
- 280 g/m²

CE EN ISO11612, EN ISO 11611, EN 1149

Flame retardant poloshirt PS153

- Comfortable FR poloshirt - knitted
- Intended to wear under welding jacket
- Antistatic material
- 60% modacrylic, 40% cotton with antistatic
- 210 g/m²

CE EN ISO11612, EN 1149

Flame retardant sweatshirts

Flame retardant sweatshirt SS015

- Comfortable FR sweatshirt - woven
- Ideal for welding supervisors
- Antistatic material
- 60% modacrylic, 40% cotton with antistatic
- 300 g/m²

CE EN ISO11612, EN 1149

Flame retardant jacket FJ534

- Comfortable FR jacket - woven
- Ideal for welding supervisors
- Antistatic material
- 60% modacrylic, 40% cotton with antistatic
- 300 g/m²
